

Our Subud House is a Place of Worship

Please everyone help our brothers and sisters to feel that they have a safe and sacred space to practice their latihan, and to worship the One God Almighty.

Please everyone help our guests, applicants, and all of our members to feel comfortable and welcomed in our home, so that our latihan may spread everywhere.

Please may God bless us with grace to behave towards all people with the wisdom of humanity.

Please may we receive the wisdom from you God, to temper our spirits in a peaceful and tranquil manner, so that we may be in a balanced state that allows us to discern and respect the boundaries of our sisters and brothers.

Please may God let us pray that our tone and expression are in harmony with our participation in the noble Susila qualities of true human beings.

Please may God grant us the social graces to comport ourselves in a way that acknowledges and respects the Budhi nature in all of us.

Please may God let us all worship Him together and help us to have the courage to surrender in the full spirit of Dharma with trust in Almighty God.
