SUBUD PNW KEJIWAAN GATHERING

After a wonderful gathering last fall, we are returning to beautiful Seabeck, WA for this year's annual Kejiwaan gathering. The 90-acre grounds at Seabeck Conference Center are reminiscent of an historic village set along meandering paths through grand old trees, all with sweeping views of Hood Canal and the Olympic Mountains.

LATIHANS/WORKSHOPS/TESTING

Men and Women's Group latihans will be offered in the morning after breakfast and then again after dinner. Individual testing will be available by sign-up. Just like at Menucha, people who want to offer workshops can do so at our group gathering each morning.

SEABECK 2025: A VIDEO

It was hard to let Menucha go, but last year, we found a new sacred space for friendship, rest, listening and healing. Enjoy a video of our time together and see how Seabeck welcomed our Subud community.

IT'S NOT TOO LATE!!

If you've been thinking about joining us but haven't registered yet, this is the moment! And if you've already signed up –thank you–would you consider inviting another Subud friend who might love this experience too?
